

Are you a student considering a career in the renewable energy sector or a business looking to upskill/reskill your workforce in sustainable energy?

Apply to the 'Falck Renewables Support Scheme for Sustainable Energy Studies 2021'

At Falck Renewables **partnerships with the communities** around our wind farms are at the heart of everything we do.

We believe in **nurturing talent** and we are committed to supporting young people develop professional skills related to the renewable energy sector.

We are particularly interested in supporting those students or technicians working towards a qualification in energy and renewables.

Our support scheme provides funding to help young people **access training opportunities** which will develop them into the professionals we could work with in the future.

TO REQUEST FINANCIAL SUPPORT APPLY BEFORE 8 NOVEMBER 2021

HOW TO APPLY

- Applicants must be **16 or over** at the start of the course.
- Eligible applicants are those individuals living in **Falck Renewables wind farm community areas**.
- Applicants must be studying a **qualification** that would help them gain professional skills they can use in the **renewable energy sector**.
- All applicants must complete the online application form, including details of a **referee** who is willing to support the application.
- The annual fund of **£ 6000 will be shared** between the successful applicants.
- Support will be paid for **one year** for an HNC or equivalent.
- Falck Renewables may decide to **provide a portion** of the support applied for.
- Falck Renewables will cover expenses which assist the candidates to complete their course. Eligible expenses include **travel/commuting costs, training materials (books, software), internet connection and equipment**.
- The successful applicant must provide **receipts or evidence** of all their expenditure.
- **Evidence** that the applicant is registered and attending the course will be required before any money is paid.
- Applicants may be asked to **repay funds** if they fail to complete the course.
- Applications will be considered by a **Falck Renewables committee** made up of Richard Dibley, Managing Director of Falck Renewables Wind Ltd, Jamie Steel, Asset Manager UK, Alessandro Costa, Head of Sustainability, and Erin Murchie, Community Relations Manager UK.
